4:20 - 5:40pm	Become an 'Honest Broker': Learn Communication Strategies that Resist Political Pressures and Restore Trust in Research Bryan Gentry, University of South Carolina Matt Burgess, University of Wyoming Learn about key science communication styles, including the "honest broker" approach, which separates expertise from advocacy to build trust and reduce polarization. Through real-world examples and hands-on activities, attendees will identify politically charged communication challenges in their work and develop strategies to navigate them effectively in public writing, interviews, and policy discussions.	STEM Strikes Back: How Elevating STEM Voices Can Restore the Academy's Reputation – and How to Get Them in the Room lan Hutchinson, Massachusetts Institute of Technology Frank Laukien, Bruker Corporation and Harvard University John Williams, Massachusetts Institute of Technology Moderated by: Wayne Stargard MIT Free Speech Alliance This panel explores how STEM faculty can help restore a culture of free inquiry and neutral principles in higher education by applying a scientific approach to institutional challenges. Panelists will discuss strategies to increase STEM faculty involvement in governance and protect their fields from unscientific, anti-intellectual trends.	The Left-Wing Case for Open Inquiry, Viewpoint Diversity, and Constructive Disagreement in Higher Education Chris Cutrone, School of the Art Institute of Chicago Benjamin Studebaker, University of Cambridge Moderated by: Edward Remus, Northeastern Illinois University This panel discussion will convene explicitly left-wing scholars who support open inquiry and viewpoint diversity in higher education, informed by diverse and sometimes differing intellectual-political viewpoints, including classical political theory, Marxism, social democracy, the Frankfurt School, and post-colonial theory. Intervention or Interference: The Role of Legislation in Reforming the Academy — A Heterodox Conversation

Mark Bauerlein, *Emory University*

Steven Brint, University of California, Riverside

Moderated by: Martha McCaughey, Heterodox Academy

From court decisions protecting the First Amendment to state legislation that seeks to tell us what we can't or must do on campus, there's a lot happening legislatively on the higher ed front. Come hear experts in dialogue on the question of what governments are doing to help and hurt open inquiry in higher ed.
